Erasmus+ scholarships for staff mobility for teaching or training in India (Erasmus+ international dimension)

Within the international dimension of the Erasmus+ Program, the European Union offers grants for staff members for teaching or training purposes in India.

Background and goals

- Supporting institutional engagement with our two partner universities
- Incentivizing further collaborations with our partners with the support of TUM's liaison office in Mumbai (TUM Mumbai) and/or the German House of Innovation and Research in Delhi (DWIH)
- Allowing for an exchange of best practices in the fields of student and staff mobility, university management and teaching
- Promoting collaborations on a departmental and faculty level

Funding possibilities and fundable duration of stay

- Staff Mobility for Training (STT): at least 5 days (not including travel days!)*
- Staff Mobility for Teaching (STA): at least 5 days (not including travel days!)* (At least eight hours of lectures must be held at the partner university per week or part of a week.)
- Please note that research activities cannot be funded! However a research stay could be combined with a teaching stay (STA).
- Stay abroad within the timeframe between April 2019 and June 2020

Partner Institutions involved

- Indian Institute of Technology Bombay
- Indian Institute of Technology Delhi

Eligibility

Administrative and academic staff members of TUM who are in a position of getting an official authorization of business travel

Support

- 180 € per day (from the 15th day 126 € per day)
- 820 € travel expenses

Please be aware that the Erasmus+ Program provides no insurance. It is under the staff member’s responsibility to insure herself/himself for the whole duration of the stay (medical and liability insurance).

Application and selection process

Please submit your application in English and via e-mail to Valérie Lechevallier (lechevallier@zv.tum.de) by January 18th, 2019.

Please submit the following documents:

* The budget available does not allow to fund longer stays than 1, max. 2 weeks, depending on number of applications.
■ application form including project description and time schedule signed by supervisor/director of institute at TUM;
■ any document which shows that the project is supported by the host university (letter of invitation, email, etc.).

Applications will be assessed by TUM International Center in consultation with the Board of Management and on the basis of the following criteria:
■ Alignment with the goals of this call (see above);
■ Quality of the project description/preparation and integration of TUM structures into the project;
■ Sustainability of the project and added value for TUM.

Applicants will be informed in March 2019 about the success of their application.

You will find other information regarding the program on our websites (teaching mobility / training mobility).
