Application

Please submit your informal grant application, including the following information, no later than September 1:

- brief description of the intended study abroad
- details regarding planned daily activities
- a preliminary budget
- a list (see documents for application) of all participants and their signature
- the confirmation of accepting no other public support

Submit the following information upon completion of the stay abroad

- final budget that also includes the participating student’s out-of-pocket expenses
- a brief final report
