Erasmus+ scholarships for staff mobility for teaching or training in Japan (Erasmus+ international dimension)

Within the international dimension of the Erasmus+ Program, the European Union offers grants for staff members for teaching or training purposes in Japan.

Background and goals

- Fostering institutional engagement with our partner universities, through exchange of best practice and development of new formats of cooperation (both on departmental and central level)
- Enhancing existing student mobility, especially to increase incoming mobility to TUM
- To deepen existing ties with the two institution in particular through exchange of administrative and teaching staff on departmental and administrative level

Fundable duration of stay

- Staff Mobility for Training (STT): at least 5 days (not including travel days)*
- Staff Mobility for Teaching (STA): at least 5 days (not including travel days)* (At least eight hours of lectures must be held at the partner university per week or part of a week.)
- Stay abroad within the timeframe between April 2017 and June 2018

Partner Institutions involved

- The University of Tokyo (only “Graduate School of Engineering” und “Graduate School of Information Science & Technology”)
- Kyoto University

Eligibility

Administrative and scientific staff members of TUM who are in a position of getting an official authorization of business travel

Support

- 160 € per day (from the 15th day 112 € per day)
- 1.100 € travel expenses

The TUM coordinator will specify the exact amount and provide more detailed information to the accepted staff member in an Erasmus+ Grant Agreement.

Please be aware that the Erasmus+ Program provides no insurance. It is under the staff member’s responsibility to insure herself/himself for the whole duration of the stay (medical and liability insurance).

Application and selection process

Please submit your application in English and via e-mail to Valérie Lechevallier (lechevallier@zv.tum.de) by January 31st,

* The duration of stay should not exceed 12 days but it can be discussed individually, depending on the available budget.
2017.

Please submit the following documents:
- application form including project description and time schedule signed by supervisor/director of institute at TUM;
- letter of invitation by the cooperation partner.

Applications will be assessed by TUM International Center in consultation with the Board of Management and on the basis of the following criteria:
- Alignment with the goals of this call (see above);
- Quality of the project description/preparation and integration of TUM structures into the project;
- Sustainability of the project and added value for TUM.

Applicants will be informed, at the latest, by mid-March 2017 about the success of their application.
