| 10:00 – 11:30 | **TUM Brussels Info Session – Europe under German Presidency and Corona Pandemic: Safe Haven or Lame Duck in Times of Crisis**  
This virtual seminar will give an overview of the current roadmap for the European Union activities under European Commission’s president Ursula von der Leyen and the upcoming German EU presidency in the 2nd half of 2020. Is the continent well prepared to overcome this crisis without forgetting about other burning topics like climate change, migration and digitalization and is the cooperation between the single member states sufficient to tackle those challenges? These and other questions will be discussed during this 90-minutes seminar. The webinar is targeted to students but also the wider interested TUM family.
