

SETI 2017

EIT Raw Materials Summer School

September 5-11, 2017
CLab, Piazza Fiera 6, Trento

SETI 2017 aims at bringing students together for one week, to work in team on industrial challenges and innovative business ideas in an increasingly relevant thematic area, such as the replacement of critical raw materials for a more efficient energy generation, saving and sustainability

Application deadline

July 30, 2017
