

Letter of Recommendation

A professor/ researcher/ supervisor of your choice should send a letter of recommendation confirming your suitability for the program in PDF format directly to prep@tum.de within the application deadline. Your complete name should be named in the subject line of the e-mail.

It is preferable to choose a professor/ researcher/ supervisor from your TUM PREP university, but also a professor/ researcher/ supervisor from one of your former universities or a supervisor from an internship/ job in the industry can be appropriate depending on the research project.
