# TUM Global Visiting Professor Program

## Call for Proposals

### Purpose
- Facilitation of new and innovative approaches in cutting-edge research fields.
- Diversify and internationalize the curricula with complementary research-oriented teaching.
- Attract distinguished international professors for long-term engagement with TUM (e.g. in the framework of a TUM-IAS Fellowship).

### Funding Period
- One week to three months

### Deadlines
- February 29th ➔ earliest start of visit: June 1st
- May 31st ➔ earliest start of visit: September 1st
- August 31st ➔ earliest start of visit: December 1st
- November 30th ➔ earliest start of visit: March 1st

### Eligibility
- Exclusively TUM professors and TUM Junior Fellows are entitled to submit proposals. Self-nominations are not possible.

### Supported Activities
- Joint research projects (new and ongoing).
- Preparation of research proposals and future research collaborations.
- Exploring the possibility of a more long-term collaboration in the framework of a TUM-IAS Fellowship Program (Anna Boyksen, Hans Fischer (Senior) or Rudolf Diesel Industry Fellowship).
- Research-orientated teaching in English. Fundamental teaching/courses are not eligible under this program.

### Financial Support
- Travel expenses to/from TUM and accommodation expenses.
  Please note: Per diem/lunch allowances/entertainment expenses are not reimbursable.
- Teaching assignments (also for online teaching).
  Please note: teaching can only be funded, if the respective department issues a teaching assignment. The department may set the level of remuneration. Due to the program’s significance, a remuneration of a maximum amount of 75 € per lecture hour is possible. A reference to the TUM Global Visiting Professor Program is sufficient regarding accounting purposes for teaching assignments.
- Honorarium for public lecture (also for online public lecture).
- Development costs for virtual cooperation/teaching formats.
  Please note: these costs have to be directly linked to the intended visit/cooperation. Development costs for e.g. general online courses cannot be funded by this program.
### Selection Criteria
- Goals, impact and relevance of the research/teaching cooperation.
- Added value to TUM’s research, innovation and education agenda.
- Added value for TUM students and young researchers/scientists.
- Interdisciplinary approach to research/teaching, if applicable.
- Reputation and complementary expertise of the nominated visiting professor.
- Alignment with internationalization goals of the TUM department, institute, integrative research center, etc.
- Sustainability of proposed activities (intended next steps; e.g. joint publications; joint proposal for third party funding; joint application for a TUM-IAS Fellowship; exchange of students and early career scientists, etc.).

Successful nominations will be selected by the TUM Board of Management in consultation with a panel of members of TUM central service units.

### Application Process
Nominations of potential visiting professors must be uploaded to the MoveOn-portal by the aforementioned deadlines.

The online form will include questions about the context and added value of the visit, the foreseen cost and activities planned.

Please submit the following documents:
- CV (candidate)
- List (candidate) of five key publications, most relevant to the proposed activities.

**Please upload all application documents to the MoveOn-portal:**
