### Erasmus+ scholarships for staff mobility for teaching or training in Russia (Erasmus+ international dimension)

Within the international dimension of the Erasmus+ Program, the European Union offers grants for staff members for teaching or training purposes in Russia.

| Background and goals | • Fostering institutional engagement with our partner universities, through exchange of best practice and development of new formats of cooperation  
|                      | • Enhancing existing student mobility, in particular through exchange of administrative and teaching staff on departmental level |
| Funding possibilities and fundable duration of stay | • Staff Mobility for Training (STT): at least 5 days (not including travel days)!  
|                      | • Staff Mobility for Teaching (STA): at least 5 days (not including travel days)! (At least eight hours of lectures must be held at the partner university per week or part of a week.)  
|                      | • Please note that research activities cannot be funded! However a research stay could be combined with a teaching stay (STA).  
|                      | • Stay abroad within the timeframe between April 2021 and June 2022 |
| Partner Institutions involved | • Bauman Moscow State Technical University  
| | • Peter the Great St. Petersburg Polytechnic University  
| | • St. Petersburg State University  
| | • Skolkovo Institute of Science and Technology (Skoltech) |
| Eligibility | • Administrative and academic staff members of TUM who are in a position of getting an official authorization of business travel |
| Support | • 180 € per day (from the 15th day 126 € per day)  
| | • 275 € travel expenses  
| | Please be aware that the Erasmus+ Program provides no insurance. It is under the staff member’s responsibility to insure herself/himself for the whole duration of the stay (medical and liability insurance). |
| Application and selection process | • Please submit your application in English to Sarah Huber (huber@zv.tum.de) by January 18th, 2021.  
| | • The following steps must be taken:  
| | o Fill out the online application form (after filling, please remember to first print the form before submitting to the portal) |

* The budget available does not allow to fund longer stays than 1, max. 2 weeks, depending on number of applications.
Submit the online application to the portal.
Get all the necessary signatures on the printed application form (sign it by yourself and get the signature of your TUM supervisor/Institute director).
Submit the printed application form and any document which shows that the project is supported by the host university (letter of invitation, email, etc.) via e-mail to Sarah Huber.

Applications will be assessed by TUM Global & Alumni Office in consultation with the Board of Management and on the basis of the following criteria:
- Alignment with the goals of this call (see above);
- Quality of the project description/ preparation and integration of TUM structures into the project;
- Sustainability of the project and added value for TUM.

Applicants will be informed in March 2021 about the success of their application.
